

ANNOUNCEMENT

Number : PG. 7 IT.40/ITU/KSA/9/2024

NORMALIZATION OF KELIMUTU NATIONAL PARK TOURIST ACTIVITIES

Based on letter from the Head of Geological Agency, Ministry of Energy and Mineral Resources of Republic Indonesia Number 1215.Lap/GL03/BGV/2024 dated September 23th 2024 regarding Submission of Reduction Activity Level of G. Kelimutu, East Nusa Tenggara Province from Level II (Alert) to Level I (Normal), we convey the following matters:

- 1) The result of visual and instrumental monitoring showed a decrease in the activity of G. Kelimutu, therefore the activity level of G. Kelimutu was reduced from Level II (Alert) to Level I (Normal) effective September 23th 2024 at 04.00 PM Central Indonesian Time;
- 2) In connection with information above, the visiting activities and tourist services in Kelimutu National Park will return to normal from September 25th 2024 with following conditions:
 - a) We are open from 05.00 AM until 05.00 PM Central Indonesian Time;
 - b) Kelimutu National Park ticket service open from 05.00 AM until 04.00 PM Central Indonesian Time;
 - c) Visitors are prohibited from passing through the guard rail;
 - d) Visitors are required to obey directions and advisories from The Officers of Kelimutu National Park Authority.

We hereby issue this announcement for compliance by Kelimutu National Park Visitors.
